Therapy Bytes: Feeling 'Appy

Streetwise
YOUNG PEOPLE'S PROJECT

We've been trawling the internet for the best apps and websites to help with stress, anxiety, low mood, self harm and those to boost general resilience and motivation. **Here's our top picks to get you started ...**

Calm Harm

provides some immediate activities and techniques to help you break the cycle of self-harm behaviour and explore underlying trigger factors.

Google Play

IOS

Move Mood

helps you improve your mood by encouraging you to increase your motivation to move forward, take control and feel positive.

Google Play

IOS

SAM

provides a range of self-help techniques organised into several main well-being themes, with tools for recording and monitoring changes in your well-being.

Google Play

IOS

Smiling Mind

is a tool developed by psychologists and educators to help bring balance to your life and practise daily mindfulness and meditation.

Google Play

IOS

StayAlive

is a suicide prevention resource for the UK, packed full of useful information and tools to help you stay safe in crisis.

Google Play

IOS

SuperBetter

builds resilience - the ability to stay strong, motivated and optimistic even in the face of change and difficult challenges.

Google Play

IOS

Clear Fear

uses CBT to focus on learning to reduce the physical responses to threat by learning to breathe and relax, as well as changing thoughts and behaviours.

Google Play

IOS

Action for Happiness

gives users a couple of friendly "nudges" each day - positive action in the morning and an inspiring message towards the end of the day.

Google Play
